

We are pleased to announce that the restaurant will reopen at 11.30am on Saturday 4th July.

We will be taking a small amount of reservations each day with the rest of the tables available on a call back queue system.

Due to social distancing concerns we will not have a physical queue for the restaurant. Instead customers can leave their details with a member of staff who will be situated outside. We will then phone you back when we have a table available for you.

Reservation requests can be made by emailing info@magpiecafe.co.uk or by calling 01947 602058. Please note that over the next couple of days the phones will only be manned occasionally.

We are in the process of finalising our plans for reopening. We will publish the full document as soon as we have finalised it but a few points that we are sure about are as follows.

We will be running at reduced capacity.

We will have some screens in place between tables.

We will be sanitising all menus, condiments, tables and chairs after each use.

We will be encouraging payment by credit card (contactless if possible).

Upstairs tables will be required to pay the bill at the table to avoid congestion around the cash desk.

Increasing cleaning of all areas especially hand rails and toilets.
